

PLAY

RUN

with God.

WALK

with God.

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14

Introducing Mission Field

This is the beginning of something special for all of Rocky Mount and the surrounding area. This will be a place where families can PLAY. A place to rest, relax and enjoy nature. A place where children can compete and experience the thrill of sport.

Children are a gift from the Lord; they are a reward from him. Psalm 127:3

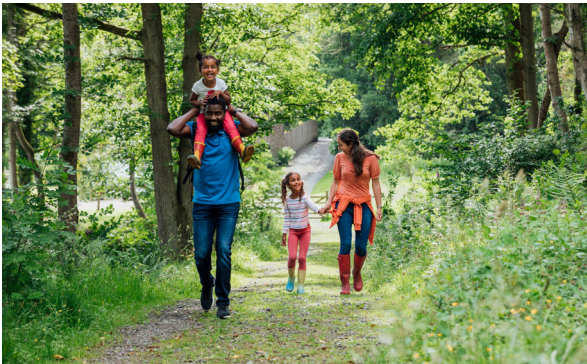

Family Playground (July 2023)

Mission Field will include a playground designed for children of all ages and abilities. (Even parents can enjoy it!) This playground is no ordinary playground. It will cover over half an acre and will be the largest of its kind within 200 miles. Sprinkled throughout the Mission Field Playground will be Bible verses and Bible stories. It will be a one-of-a-kind experience where faith and family come together and where families play together.

Miracle League Baseball Field (Spring 2024)

Mission Field will be home to the Miracle League of the Tar River Region. The ballfield is specially designed for children with special abilities who aren't able to play with traditional leagues on traditional fields. It will be an easy-access field with shorter baselines and soft surfaces throughout. Children who participate in the Miracle League get to hit the ball, "run" the bases, and experience the thrill of competition.

Walking Trail (Open now)

Mission Field includes a three-quarter-mile walking trail that traverses open fields and beautiful forest. It's a great way to spend a few quiet moments enjoying nature or a quiet conversation with your spouse, your child, or your Father in Heaven. A great way to "walk with God."

How many are your works, LORD! In wisdom you made them all; the earth is full of your creatures. Psalm 104:24
